

□

IBM Financial Transaction Manager Digital Payments Canadian Edition - In-Depth Information

Length: 40.0 Hours
Ref: G7022G □
Delivery method: Classroom
Price: AUD

Overview

*** For inquiries and scheduling for this course, please contact wfssedu@us.ibm.com ***

This is an IBM ISDR course.

Students will learn to how to process, monitor and tailor payment processing in FTM4CPS. Training demonstrations and exercises simulate a real-world Canadian Payment Standard 005 implementation to enable students to apply concepts learned to their own FTM implementations. At the end of this course, clients should be able to use and configure the basic functions of the software.

Public

Business Analysts, Architects, Developers, and Testers.
